

Dear Parents,

Recently we received some CDs called Student Works Plus. These CDs not only have the Journey Across Time textbook but the students can access other features as well, such as an audio version and workbooks. We encourage all of our students with computer access to check out one of these CDs from the library.

The librarian has put a sticker barcode on every case and written the barcode numbers directly on the CDs. Students will be able to check out the CDs for the entire year. However, according to the publisher, the cost of replacing these CDs is \$60. Therefore, we would like to make sure that the students and the parents will accept this responsibility.

Please discuss this opportunity with your child and sign the bottom of this letter to indicate your wishes in regard to the CD. Return this signed letter to your child's social studies teacher.
