Makerspace Camp at RES

the world is your construction kit!

What will you make?

It is a place for everyone, Creative and not so Creative, to Come and explore their passions using raw materials, tools, technology, repurposed items and imagination! Kids can work individually or together in a hands on environment to imagine, plan, build, and bring their creations to life. A maker space is a place where students can gather to create, invent, tinker, explore, and discover using a variety of tools and materials.
